Global BBA student at SKEMA Business School (second year), Corporate Finance specialization. Seeking a six-month internship (January-June 2027).

EDUCATION

Global BBA — Corporate Finance Major — SKEMA Business School

January 2025 - June 2029 | GPA: 3.70/4

Relevant coursework: Calculus I, Financial Markets and Institutions, Financial Accounting, Management Accounting, Statistics, Macro and Micro Economics, Financial Analysis

Engineering Preparatory Track — INSA Lyon

September 2024 - December 2024

Completed one semester of the engineering track before pivoting to Corporate Finance, having discovered a stronger interest in financial analysis and business strategy.

General Baccalaureate — Lycee Jacques Audibert

September 2021 - June 2024 | 16.76/20

Majors: Mathematics and Physics-Chemistry, Advanced Mathematics specialization (Maths Expertes). Graduated with High Honors (Mention Tres Bien)

EXPERIENCE

Property Manager — Absoluty

May 2025 - August 2025 | Antibes, France

- Managed a portfolio of 10 luxury properties in Vieil Antibes, overseeing operations and generating EUR 900K in gross rental revenue.
- Redesigned the check-in/check-out process by implementing a centralized Keycafe key-box system across the portfolio, and rebuilt all guest documentation (house guides, Airbnb messaging templates).
- Set pricing strategy for a newly listed property ahead of peak summer season, contributing to a post-COVID increase in occupancy rate.
- Proactively converted guest visits to other properties into 7 confirmed rebookings for the following year, demonstrating client retention and commercial initiative.

Bartender — Les Filles du Micocoulier

Summer 2023 | Antibes, France

- Managed cash operations and daily reconciliation on a busy terrace, delivering fast, accurate service during uninterrupted lunch rushes.
- Delivered high-quality customer service in a fast-paced environment, strengthening communication, teamwork, and attention to detail.

Aeronautical Mechanics Intern — Union Aeronautique de la Cote d'Azur

Summer 2022 | Cannes, France

- Completed a one-month hands-on internship, performing maintenance, assembly, and compliance inspections across 5 different aircraft.
- Collaborated with technicians and engineers to ensure precision and quality in all operations, reinforcing rigor and accountability under strict safety standards.
